

ABOUT MUN SIONG ENGINEERING LIMITED AND ITS AFFILIATES DATA PROTECTION POLICY

Background

The Personal Protection Data Act (PDPA) takes effect in phases starting with the provisions relating to the formation of the Personal Data Protection Commission (PDPC) on 2 January 2013. Provisions relating to the Do-Not-Call Registry will come into force on 2 January 2014 and the main data protection rules will come into force on 2 July 2014.

Mun Siong Engineering Limited and its affiliates are proud to announce that we have put in place a set of procedures/policies in dealing with the personal data under our custodianship (whether the data is stored in electronic or non-electronic form), under the Personal Data Protect Act in Singapore.

Mun Siong Engineering Limited and its Subsidiaries Data Protection Policy

To support this act, Mun Siong Engineering Limited and its subsidiaries has established a Data Protection Unit that deals with all matters pertaining to personal data that are captured in Mun Siong Engineering Limited and its subsidiaries' registry from a business perspective, i.e. such as recruitments, events/conferences/seminars and social activities etc.

Mun Siong Engineering Limited and its subsidiaries' Data Protection Policy is intended to be a baseline policy/procedure conforming to Singapore Act established by PDPC. The objective of the Mun Siong Engineering Limited and its subsidiaries' Data Protection Policy is to regulate the organisation's processes/activities relating to the collection, use & disclosure of personal data.

Updates on Personal Data Protection & Privacy Policy

As part of our effort to ensure that we properly manage, protect and process your personal data, we will be continually reviewing our policies, procedures and processes.

We may amend the terms of this Personal Data Protection & Privacy Policy at our absolute discretion.
